Dear Parent (s)/Guardian (s),

We are pleased to inform you that Coquille School District will continue to participate in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for the 2016-17 School Year.

What does this mean for you and your children?

**“All school meals will be provided for free to any student!
The best part- no paper work needs to be filled out”**

All students enrolled in Coquille School District are eligible to receive a healthy breakfast, lunch and after school snack at **no charge** to your household each day of the 2016-17 school year. No further action is required of you. Your children will be able to participate in these meal programs without having to pay for meals or submit an application.

If we can be of any further assistance, please contact us at Coquille School District Office.

Sincerely,

Marci Gallagher
